AWARD-WINNING *Golf*

Indian Wells Golf Resort is the only 36-hole facility to have both courses ranked in the top 10 in Golfweek's "Best Top 30 Municipal Courses" in the nation.

Playability, diversity and challenge are the highlights of Clive Clark's Celebrity Course, site of the 2007 and 2008 LG Skins Game. The Par-72 course features phenomenal mountain views, undulating fairways, and spectacular water features surrounded by vibrant floral details.

John Fought's Players Course presents a brilliant contrast to the Celebrity Course. Conceived in the spirit of a classic American design style, the Players Course features generous playing corridors and sculpted bunkers.

Moreover, players of all levels can also hone their skills on the green on Fought's 7-hole Putting Course. Illuminated at night, the half-acre course offers the perfect opportunity for golf enthusiasts and groups to enjoy practice time, before or after a catered affair.
